

Compact Turf Aerator

Product Categories: [Cultivation Machinery](#), [Estate Maintenance & Forestry](#)

Product Page: <https://www.kilworthmachinery.co.uk/product/compact-turf-aerator/>

Product Summary

The aerator is robustly manufactured and is designed to aerate the ground in order to reduce saturation and promote growth.

The aerator is a simple but effective implement for maintenance of grassland.

It is suitable for 3 point linkage mounting on compact tractors.

Specification

The specification for the aerator is as follows:

- 1.2 m Working Width
- Up to 175 mm slitting depth
- 7 Hardox blades
- Cat 1 with 3 point linkage with multiple settings
- High quality Greaseable Bearings
- Top Tray for ballast
- Parking stands
- Rear Towing eye for use with land roller
