

## Log Splitters

**Product Categories:** [Trees and Firewood Machinery](#)

**Product Page:** <https://www.kilworthmachinery.co.uk/product/log-splitters/>

## Product Summary

There are three models of log splitter we provide from the Texas range.

The splitters are easy to use and are ideal for domestic and small woodland/forestry applications.

The splitters range from the small 6 tonne vertical machines to the 20 tonne horizontal/vertical splitter.

All splitters are easy to maneuver on large diameter wheels

An optional 4 way splitter can be fitted.

See Brochure For Further Details
